

power your business

Global Brand

From New York to San Francisco, Berlin to Tokyo, Kolo is loved the world over. Our loyal following is crazy about the brand and our partner stores. Photographers, writers, professionals, designers... they're a wonderfully creative mix.

The Kolo Community

Fans of the Kolo brand visit Koloist.com in droves daily. They come to share ideas about how to use Kolo albums, boxes and journals. They come to feed their creativity, to inspire and be inspired. They show off their albums, swap ideas, and sometimes, to sing the praises of our most creative dealers. In fact, our best dealers became the local hub of this wonderful community.

A World of Pictures

Thanks to digital, the photo business is booming and is now a \$70 billion market. On top of that, over a billion and a half photos are taken every day world-wide. Where does that leave us? In a world filled with billions of photos, all in need of a home.
